

Consent for persons participating in a research project

Name of Investigator(s):

Mr. Mike Zhuang (mike.zhuang@unimelb.edu.au)

Dr. Ofir Turel (oturel@unimelb.edu.au)

Dr. Shaanan Cohney (cohneys@unimelb.edu.au)

1. I consent to participate in this project. The purpose of this research is to investigate problem solving behavior. I have been provided with a plain language statement.
2. I understand that this project is for research purposes only.
3. I understand that my keystrokes (movement keys, restart and undo key) are recorded during the experiment.
4. I understand that there are risks involved in participating in this research project. Specifically, that I may become frustrated while working on some difficult problems.
5. I understand that my participation is voluntary and that I am free to withdraw from the project at any time without explanation or prejudice and to withdraw any unprocessed data I have provided.
6. I understand that the data from this research will be stored at the University of Melbourne and will be stored 5 years following the project completion. The collected data will be destroyed 5 years after the project completion.
7. I have been informed that the confidentiality of the information I provide will be safeguarded subject to any legal requirements; my data will be password protected and accessible only by the named researchers.
8. I am 18 years old or above.
